Micro Mania Night

Welcome to the Emerald City

In micro, students write their own resumes, apply and interview for jobs and are hired by businesses and organizations. Employees get paychecks, pay taxes, have a day off, get to shop in Oz, etc. Students can apply for Law School, to be Peace Officers, work for the IRS, The Bank or the Endowment Fund along with many other types of businesses.

What you can do in Emerald City:

- See E.C. Law at work— with lawyers, judges, cases and trials.
- Own and run your own business.
- Get a manicure or massage at the Day Spa.
- Purchase pillows and dog scarves from Stuff It/Stick It.
- Play video games at Entertainment Central.
- Visit the Internet Café, and Karaoke Café.
- Enjoy a cappuccino or iced coffee at the relaxing Timber Lodge.
- Take in a movie at Disney Movies, with popcorn and cherry limeades.
- Buy flowers at Rosemary's.
- Play some fun indoor sports at Globo Gym.
- Purchase products from the Cord Couture and Wood Works.

And much, much more!

Food products such as waffles, cookies, smoothies, bakery items, popcorn, lemonade, and snow cones are sold by businesses found in Oz!
